

From Our President

Dear Mitchell Student,

Welcome to Mitchell Community College and to the opportunity to be part of a wonderful learning community. The faculty and staff at Mitchell are committed to helping you develop and grow as an individual during your period of study here. We not only want to help you learn how to make a good living, but we also want to help you learn how to make a good life. The objective of education should ultimately lead to a greater understanding of the world around us and of one's self. It is my hope that the "Mitchell Experience" for you will be a rich and rewarding one.

Let me advise you to take every opportunity to get as much as possible out of your classes. In addition, get to know our faculty and staff on a personal level, and be sure to get to know fellow students as well. You will be rewarded for involvement in campus life through the Student Government Association and our student clubs as well as our numerous campus activities and events. Whether you are at Mitchell one semester or several years, make this time one of the richest experiences of your life.

We are delighted you have chosen to attend Mitchell Community College. Let me wish you every success in your studies.

Sincerely yours,
