

Subject: Information for the Associate Degree Nursing Program

Dear Prospective Student,

Thank you for your interest in the **Associate Degree Nursing Program** at Mitchell Community College. The process for admission to the Nursing Program begins in January of each year. Applications are accepted until February 15<sup>th</sup>. Admission to the program is **competitive**. The application process is as follows:

- Complete a Mitchell Community College application.
- Have all official college transcripts sent to Mitchell Community College Admissions Office.
- If required, schedule and take placement tests.
- After testing, you will meet with a counselor and be assigned a nursing advisor.
- Set up an appointment with your assigned nursing advisor to determine your eligibility to apply to the program. When eligible, schedule the TEAS V test.
- If eligible to apply, complete the additional, specific Associate Degree Nursing Program application with your assigned nursing advisor.

***Please remember, completion of general college admission requirements does not constitute application to the Nursing Program.***

Thank you again for your interest in our program. If you have general questions concerning admission to the College, please contact one of the college admission counselors at (704) 878-3200; or if you have specific questions concerning the Associate Degree Nursing Program, please feel free to contact the nursing office at (704) 878-4260.

Sincerely,

## Associate Degree Nursing Program

### Admissions-Associate Degree Nursing

---

The Department of Nursing understands and accepts the concept of the open-door policy for general admission to Mitchell Community College. Admission to the College does not, however, guarantee admission to the Associate Degree Nursing program. Admission into the nursing program is competitive. In addition to the College's requirements for admission, the following are minimum requirements for admission to the Associate Degree Nursing program:

- 1. Mitchell Community College Application:** Applicants must complete the College application for admission and submit to Student Services.
- 2. High School or GED transcript:** Graduation from a high school as specified under admission requirements for degree seeking students, complete high school transcript, or equivalent as established by a high school equivalency test.
- 3. College Transcripts:** Official transcripts from all previously attended colleges must be received by the College. To be considered official, transcripts must be in a sealed envelope. Grades less than C are not transferable into the Associate Degree Nursing Program.
- 4. Required GPA:** Applicants must have a minimum 2.50 cumulative grade point average. All course work toward the A.A.S. Nursing degree must be completed with a grade of C or better.
- 5. Biology Course:** Applicants must have completed with a grade of C or better, one year of high school biology and/or BIO 111, General Biology I, or BIO 168 Anatomy and Physiology I or equivalent or demonstration of competency. A biology course must be current within five years.
- 6. Chemistry Course:** Applicants must have completed with a grade of C or better, one year of high school chemistry and/or CHM 131 and 131A lab, Introduction to Chemistry or equivalent or demonstration of competency.
- 7. TEAS V Testing:** Applicant must achieve a minimum adjusted individual test score of 63 percent on the Test of Essential Academic Skills V (TEAS V). For more information about the TEAS V Exam, see the official website at <http://www.atitesting.com/default.aspx>. TEAS V Review Books may be purchased through the Mitchell Community College Bookstore.
- 8. Associate Degree Nursing Program Application:** Applicant must complete Program Application with assigned nursing advisor.
- 9. Nursing Assistant I:** Applicant must be listed as a Nursing Assistant I on the Nurse Aide I Registry from the N.C. Department of Health and Human Services Division of Health Service Regulation: Health Care Personnel Registry by August 1 or demonstrate competency as evidenced by licensed practical nurse (LPN).
- 10. Physical and Emotional Health:** Applicant will provide validation of satisfactory physical and emotional health and current immunizations after receipt of conditional acceptance and prior to final admission into the nursing program. Required immunizations include:
  - 2 MMR vaccines (measles, mumps, rubella)
  - 2 varicella vaccines or positive titer
  - 2-step tuberculosis skin test
  - Tdap within last ten years (tetanus, diphtheria, pertussis)
  - Annual influenza immunization

**11. CPR Certification:** Applicant must hold current CPR certification by the American Heart Association at the Healthcare Provider level by time of enrollment into the clinical nursing component and maintained throughout the NUR course sequence.

**12. Background Check and Drug Screen:** Meet requirements as prescribed by clinical agencies. Students who have not lived in North Carolina for the last five years will need to provide fingerprints (available from the Iredell County Sherriff Department).

**13.** Student must be 18 years of age prior to clinical component.

**14.** Student must carry personal health insurance (<https://www.healthcare.gov>).

**15.** Nursing students are required to have an electronic mobile device with access to the Internet.

A limited number of openings exist in the Associate Degree Nursing program. Admissions consideration begins January 1 of each year. Applications will be accepted until February 15 of each year. Qualified applicants will be ranked. Points will be awarded in several categories including: TEAS V score, related courses and grades earned, and previous post-secondary degrees. Students applying for re-admission are required to meet the current admission criteria. No student is considered to be a nursing student at Mitchell Community College until the student receives official, written notification of admission as given by the Admissions Office and the student enrolls in the nursing courses. Mitchell Community College does not use waiting lists for the nursing program. Applicants must re-apply for each year they wish to be considered for admission.

**Qualifications of Graduates for Examination**—Upon graduation from the nursing program and to be eligible for licensure by examination, the graduate shall make application to the Board of Nursing and shall submit to the Board an application fee and written evidence, verified by oath, sufficient to satisfy the Board that the applicant has graduated from a course of study approved by the Board and is mentally and physically competent to practice nursing.

Mitchell Community College awards several scholarships designated for students accepted to the associate degree nursing program each year. To be considered for these scholarships, students should complete a free application for federal student aid available on the web at <http://www.fafsa.ed.gov> and a Mitchell Community College Scholarship Application available on the College's website or at the financial aid department in the Student Services Center. Students should direct any questions about scholarships to the Assistant Financial Aid Director, at (704) 878-3254.

### **Hickory Regionally Increasing Baccalaureate Nurses (RIBN)**

The RIBN program is a four-year nursing option where students are dually admitted to both Lenoir-Rhyne University (LRU) and Mitchell Community College. The RIBN program provides a seamless associate to baccalaureate nursing education for top academic students. The first three years of study are at Mitchell along with one course per semester at LRU. Upon successful completion of the first three years, students take their fourth year at LRU. Admission to the program is competitive and students are chosen on the basis of specific academic requirements <http://www.lr.edu/admissions/RIBN>.
