- 9. **CPR** – Mandatory portion of the NA I class

Please READ the rest of this packet.

***It will explain in DETAIL all of the steps you need to take in
order to enroll***

in the Nurse Aide I class

Detailed Steps for enrollment:

(1) Must be 16 ½ years old on first day of class

All NA 1 students must show proof of date of birth. It is mandated by NC DHSR regulations that the student must be at least 16 years & 6 months (16 ½) on the first day of the NA 1 class.

(2) Take the TABE TEST --- this is a required reading test – free of charge

Contact Christine Verolme at (704) 978-1359 office to schedule TABE test.

This test takes approximately 1 hour and 25 minutes, you must bring a government issued photo I.D. when you come to take the test. Christine will e-mail you the results.

Exemption from the TABE

To be exempt from taking the TABE test, students must submit a college transcript showing successful completion of a college English course or have an Associate Degree.

(3) Complete a Criminal Background Check

Students must have a criminal background check completed through Castle Branch before registering for the Nurse Aide course. Please go to the website: www.castlebranch.com Look for “**Place Order**” in upper right hand corner. In the Package Code box, enter package code: **MI30**. After reading the disclaimer statement click the small box to accept. Click “**Continue Order**”. Complete required information. Select a method of payment: Visa, MasterCard or money order. The cost is \$40 (subject to change). Once your order is submitted, you will receive a password via email to view the results of your background check. The results will be available in approximately 48-72 hours. **Please have this completed before you come to register.** This way you will have access to the results and be able to determine if you want to take this class at this time.

(4) Physical Requirements – Physical Exam will be required before clinical rotation

The hospitals require a physical exam within a year of the clinical rotation. A form is included with paperwork received when registering. Students are required to be physically, mentally, and medically able to perform the NC Nurse Aide Registry required skills.

(5) Attendance Policy

Students should be aware that they must be available to complete at least 180 hours of the 192-hour course. Students who miss more than **12 hours** of class, lab or clinical are not eligible for a certificate and **will be dismissed** from the program.

To progress and successfully complete the program students are required to have:

(6) Drug Test

A drug screen that is **negative**. A date and time will be arranged for students to report for a drug screen after the classes begin. The cost of the test will be the student's responsibility. We have an arrangement with a local healthcare provider to do these tests. The current charge is \$20-\$40 (price subject to change). **Do not do this on your own**. The time and location will be announced after you begin the course.

(7) Immunization Records

A verified Record of Immunizations. Information is included in the paperwork received the day you register for the class. Please bring your immunization records with you on the first day of class. All immunizations requirements to the NA Coordinator by the **due date that is announced on the first day of class** (it is typically within 45 calendar days from the first day of class or 32 days for 6 hour classes). There are **NO exceptions** to this policy. Failure to comply will **mean immediate dismissal** from the program.

(8) Photo I.D.

A proper Federal or State photo ID and a **non-laminated** social security card are required. Please bring with you on first day of class. This is also a requirement for the NC NNAAP state exam.

(9) CPR

Students must successfully complete **an AHA Basic Life Support Course** during the course to qualify for the clinical portion of the class. The cost of the CPR card is included in your registration fee.

Continue to next page for Registration Instructions

Registration:

Upon registration, you must present the following:

- Proof of completion of the criminal background check
- \$231.00 (the cost of registration)
- TABE Test scores or Transcript showing college English course.

Registration is completed at the Continuing Education Center cashier's office on Monday – Thursday from 9:00 am – 5:00 pm and on Fridays from 9:00 am – 4:30 pm located at 701 West Front Street, Statesville.

Number of students are limited per class. Seats will not be held and are filled on a first come, first qualified basis.

For more information on class availability, please give Ms. Chambers a call at **(704) 878-4311**. The criminal background checks are usually good for 1 year for our facilities. This is subject to change by our host facility policies.

If you do not have Internet access at home, you can use the public library, college library, or Mitchell's employability lab.

Due to the current COVID-19 pandemic, students registering should be prepared to transition to online. If there is an executive order issued for the state of NC for an order to "stay at home", we will comply with the executive order. An order to stay at home may result in the class completion being delayed.

Class Information and Expenses:

Nurse Aide 1 classes at Mitchell Community College are approximately 192 hours:

152 hours of classroom/lab instruction and 40 hours of clinical experience.

If a NA I course is Hybrid, it will include online hours and assignments. Clinical dates may involve Saturdays and eight-hour classes.

MC = Mooresville Center	219 North Academy Street, Mooresville, NC	28115

Continue to next page for Immunization and Physical Requirements

Immunizations and Physical Requirements

North Carolina law, as well as Mitchell Community College’s clinical sites, requires all Nursing Assistant students be properly immunized and to have a physical to show that he/she is physically able to perform skills and procedures related to patient care in the clinical setting without restrictions.

Students must understand that he/she must show proof of immunization or immunity for the following diseases along **with** proof of physical on **the due date** that is announced on the first day of each class.

The required immunizations are as follows:

<p>TB Test (two consecutive skin test, blood test <u>or</u> Chest X-Ray) with Negative results</p>	<p><u>Tetanus/diphtheria/pertussis (Tdap)</u> within the past 10 years</p>	<p>Measles/ Mumps/ Rubella (MMR) -proof of 2 vaccines or positive titer</p>	<p>Varicella -proof of 2 vaccines or positive titer</p>	<p><u>Influenza</u> - optional unless required by facility (yearly September – March</p>
<p>Hepatitis B vaccines x 3, positive titer or Waiver</p>	<p><u>MD physical</u>-students must have clearance from a physician to participate in lab and clinical activities. Form provided.</p>	<p>MD Physical (Within 1 year of clinical dates)</p>	<p><u>Poliomyelitis</u>- required for individuals 18 years old or younger</p>	<p>Covid Vaccines – optional unless required by facility</p>

It is **very strongly** recommended that students start immediately gathering proof of **or** receive required vaccinations/titers prior to the first day of class and be prepared to present proof for as many of the required immunizations listed above as possible on the **first** day of class.

Questions concerning immunizations should be directed to Pat Pence @ (704) 878-4312
