

Student Body Diversity Statistics

Section 490 of the Higher Education Amendments of 1992 requires that institutions complete surveys conducted as part of the Integrated Postsecondary Education Data System (IPEDS). In compliance, Mitchell Community College reports the percentage of full-time college students enrolled in Fall 2013 that are:

Gender

Female	64.5%
Male	35.5%

Diversity

Black, Non-Hispanic	15.4%
Hispanic	7.3%
Other Minority	3.9%
Not reported	1.9%
White, Non-Hispanic	71.5%
